

Amendment to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claims 1-31 (canceled)

Claim 32 (original): A process for forming a multilayered film comprising:

- a) positioning a sealant film onto a first surface of a nylon film, wherein the sealant film has an antifog composition which is either incorporated therein or coated on a surface of the sealant film opposite the nylon film; and
- b) applying a protective film onto a second surface of the nylon film.

Claim 33 (original): The process of claim 32 wherein the nylon film and sealant film are coextruded.

Claim 34 (original): The process of claim 32 wherein the nylon film and sealant film are laminated together optionally via an intermediate adhesive.

Claim 35 (original): The process of claim 34 wherein the nylon film is biaxially oriented.

Claim 36 (original): The process of claim 32 wherein an antifog composition is incorporated in the sealant film.

Claim 37 (original): The process of claim 32 wherein an antifog composition is coated onto a surface of the sealant film opposite the nylon film.

Claims 38-41 (canceled)

Claim 42 (new): The process of claim 32 wherein said protective film is selected from the group consisting of polyvinylidene chloride, polyurethanes, amine modified polyurethanes, epoxies, polyesters, acrylics, polyols and combinations thereof.
